

Program Objectives

The "Player to Manager" program was designed to provide players with an opportunity to develop leadership skills and develop a sense of responsibility.

The program helps U13+ players to learn essential skills to become a coach or a manager in the future if they choose so, or to combine a playing and a coaching careers.

North York Academy is committed to player development and believes that the "Player to Manager" program will allow players to learn more about the game and try a new leadership role.

The program will allow players to get volunteer experience which is crucial for the career development.
